

FEATURE FRIDAYS 2023

ABOUT US!

Located in the Historic Downtown Community, The Children's Museum of Wilmington has been serving the children of Southeastern North Carolina for 25 years! CMoW is a 501(c)(3) non-profit organization. We engage children and their families in joyful learning experiences using the power of play. We provide a safe, clean, and inspiring environment where children get lost in their imaginations. We offer interactive exhibits and weekly programs where kids can explore their natural curiosity.

Explore and Engage

Feature Friday is our summer event at the Children's Museum of Wilmington where we highlight organizations in our community that provide education, the arts, or services that make an impact to help better our community.
